Education and Day Care Programmes

Inclusive Playgroup

Daily 2-6 yo

Our Playgroup is a movement + play-based integrated intervention programme that focuses on building the prerequisite skills a child needs during their early years through the use of the five senses - seeing, doing, hearing, feeling, smelling, and tasting.

Preparatory

Daily 3-7 yo

Through this programme, our young students with various abilities will experience various learning style using their senses while identifying their strengths. This will equip themselves with the necessary skills required for their transition to the primary level.

Inclusive Student Care

Daily 3-14 yo

An inclusive student care that not just provides a safe and affordable yet quality Before and After School for students and those with learning differences, but also educational support, social-emotional, civics and moral values, and life skills for independent living.

T:ED

Weekend 5-30 yo

T:Ed is a weekend enrichment programme that focuses on ethical and behavioral management for both typical individuals and individuals with learning differences, ensuring that they are aware of their roles and responsibilities on a personal level, and also in the community.

Day Activity Center (DAC)

Daily 16-30 yo

Day Activity Centre (DAC) aims to provide our students with learning differences a safe space where they can benefit from our customized activities that focus on life skills, creativity, social emotions and physical activity. DAC prides itself on creating a structured yet conducive environment that is suited the needs of the students.

Work Readiness Adult Programme (WRAP)

Daily 16-30 yo

In this programme, students with learning differences will be taught to have a better understanding of their abilities, interests, values, and how to make effective decision-making skills. They will also learn various vocational skills which are necessary for survival in workplaces and the community.

About MIJ

Established in 2011, MIJ Hub has grown to be a one-stop centre that provides school readiness, student care and intervention programmes for individuals, aged 4 to 30 years, with learning differences, such as Autism, Down Syndrome, Cerebral Palsy, Global Development Delay, Dyslexia and ADHD.
